

At Euro Construction we pride ourselves in designing and building a wide range of residential housing, retail and commercial buildings in strategic locations around Great Britain and Ireland.

As part of our continuing expansion we are seeking to recruit:

HOUSE BUILDING FOREPERSON

To work on residential housing developments in County Armagh and County Louth.

The successful applicant will ideally fulfil the following criteria:

- 10 years experience at foreperson level in house building to both Homebond and NHBC standards.
- The ability to manage sub-contractors and directly employed labour.
- Have basic computer skills.
- Ability to keep records.
- Clean driving licence.
- Preferably have 2nd level qualification HNC/HND.
- Good awareness of current Health & Safety legislation and obligations.
- The ability to deliver high quality completed houses is essential.

This is a permanent position within our organisation. We are offering excellent career advancement, generous basic Salary, overtime and bonus payments to the candidate that can demonstrate he/she can deliver on the above criteria.

To be considered for the above position, please send your CV to:
